

2024-25 Silviculture Program - Application Form

Please submit your application before September 2024

Information on Owners / Maple Sugary

Company Name :			
Owner / Lessee Holder :			
Tel. (Home) :		Tel. (Cellular) :	
Adresse :			
<p>Note: All silviculture must be completed by November 30th, 2024. Reimbursement is based on the number of applicants to the program.</p>			

Important: The silviculture program is available to the NBMSA members only. Participating producer's membership annual dues for 2024 and 2025 must be paid at renewal to be eligible for the silviculture program. Only completed application forms will be processed.

When completed, please fax to 1-506-473-2273 or send by email to roger.erablenbmaple@gmail.com

We ask that you please contact Luc Castonguay, our forest technician to schedule an appointment before starting your silviculture program. He can be reached at 235-0650.

Funding for and implementation of the silviculture program initiative is made possible through the Department of Natural Resources and Energy Development (DNR) and the New Brunswick Maple Syrup Association Inc. (NBMSA).

If you have any questions, please call Roger Cyr at 261-5332 or Luc Castonguay at 235-0650.
